

Badr Dakir

Junior Web Developer

Rue Champs de la Couronne 71, 1020 Brussels · 0465 61 44 39 · dakirbadr49@gmail.com

[Seeking an internship or a first junior position](#) · [available immediately](#)

PROFILE

Currently training as a Full Stack developer at CF2M in Brussels, I learn mainly by building: a portfolio, a PHP guestbook, and various web projects. To put my knowledge into practice, deepen my skills and grow within a team, I am looking to join a company as an intern or in a junior role.

SKILLS

PHP · **JavaScript** · **SQL / MariaDB** · **HTML5** · **CSS3** · **Node.js** · **jQuery**
Bootstrap · **Python (basics)** · **Git / GitHub** · **Linux (command line)** · **Neovim** · **Figma**
SEO (basics) · **FileZilla (FTP)** · **Vercel** · **GitHub Pages**

PROJECTS

Interactive map — geolocation 2026

Personal project · JavaScript, Leaflet, OpenStreetMap

- Interactive map displaying geolocated places with clickable markers
- Dynamic coordinates table (latitude / longitude, decimal degrees and DMS)
- Integration of the Leaflet API and OpenStreetMap tiles, responsive interface

Personal portfolio 2026

HTML / CSS / JavaScript

- Mockup designed in Figma, then built as a responsive site
- Deployed on an FTP server

Integrating AI tools into my workflow 2026

Claude

- I use Claude in my projects to code faster: code generation and review, debugging
- Faster exploration of new libraries and problem solving

PROFESSIONAL EXPERIENCE

Kitchen and dining assistant — Start People 2022–2024

European Commission, Nestlé · Brussels

- Teamwork in a demanding, fast-paced environment

Order picker 2019–2022

Katoen Natie · Viangro · Incoplace

- Scanner-based order picking, meeting deadlines, working autonomously

INTERESTS

3D creation in the browser

Three.js · WebGL · Canvas

- Real-time 3D projects (game / interactive scenes), cyberpunk and neon aesthetic
- Graphics exploration out of passion, beyond the scope of my training

LANGUAGES

French — Native · Arabic — Native

English — Fluent · Dutch — Basics
